International Standards on Auditing require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the special purpose financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special purpose financial information. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the special purpose financial information, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and presentation of the special purpose financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the special purpose financial information.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

The founder of the Foundation is Mr Zoltán Magyar. The governing body is a Curatorium which is chaired by Mr Christopher Jock Murdoch MacKenzie. The Foundation’s financial activities have consisted of raising donations, primarily through an annual supper in memory of the Scottish Poet Robert Burns, and the distribution of the surplus to hospitals and others, mainly in the form of cash grants for approved purposes.

### **Note 2: Financial Statements – Basis of preparation and presentation**

The Foundation is required under Act C of 2000 on Accounting (“Act”) and Government Decree 224/2000 (XII.19) (“Decree”) to prepare statutory financial statements each year. ## Notes to the 2010 financial statements

### Recognition of donations to hospitals and foundations

Donations made by the Foundation are generally recognised when the donation is disbursed except where a donation is received for a specific purpose, in which case the corresponding use of funds is recognised at the time the donation is received. A liability is set up and any amount which has not yet been distributed by the year end is recorded as a short time liability in the balance sheet.

### Short term liabilities and accruals

Short term liabilities are stated at cost. Accruals represent liabilities incurred for which invoices have not yet been received and are stated at estimated cost.

### Functional currency and foreign exchange

The functional currency of the Foundation is the Hungarian Forint (HUF) and all amounts are presented in Thousand of Forint (THUF). Transactions in other currencies, primarily the Euro, are translated at the exchange rate on the date of the transaction. Monetary assets and liabilities denominated in Euro at the balance sheet date are translated at the foreign exchange rates ruling at that date. Foreign exchange differences arising on translation are recognised in the Statement of Financial Activities.
